Paywalls block access to research... about open data

Behavior Research Methods
September 2016, Volume 48, Issue 3, pp 1062–1069

The what, why, and how of born-open data

Jeffrey N. Rouder 

Article
First Online: 01 October 2015
DOI: 10.3758/s13428-015-0630-z

Abstract

Although many researchers agree that poor analyses and outright fraud, more than many reasons researchers do not open

Amanda Whitmire @AWhitTwit · 7m
@carlystrasser this may be one of the most ironic paywalled articles about open science that I've ever seen. Quite impressive, really.

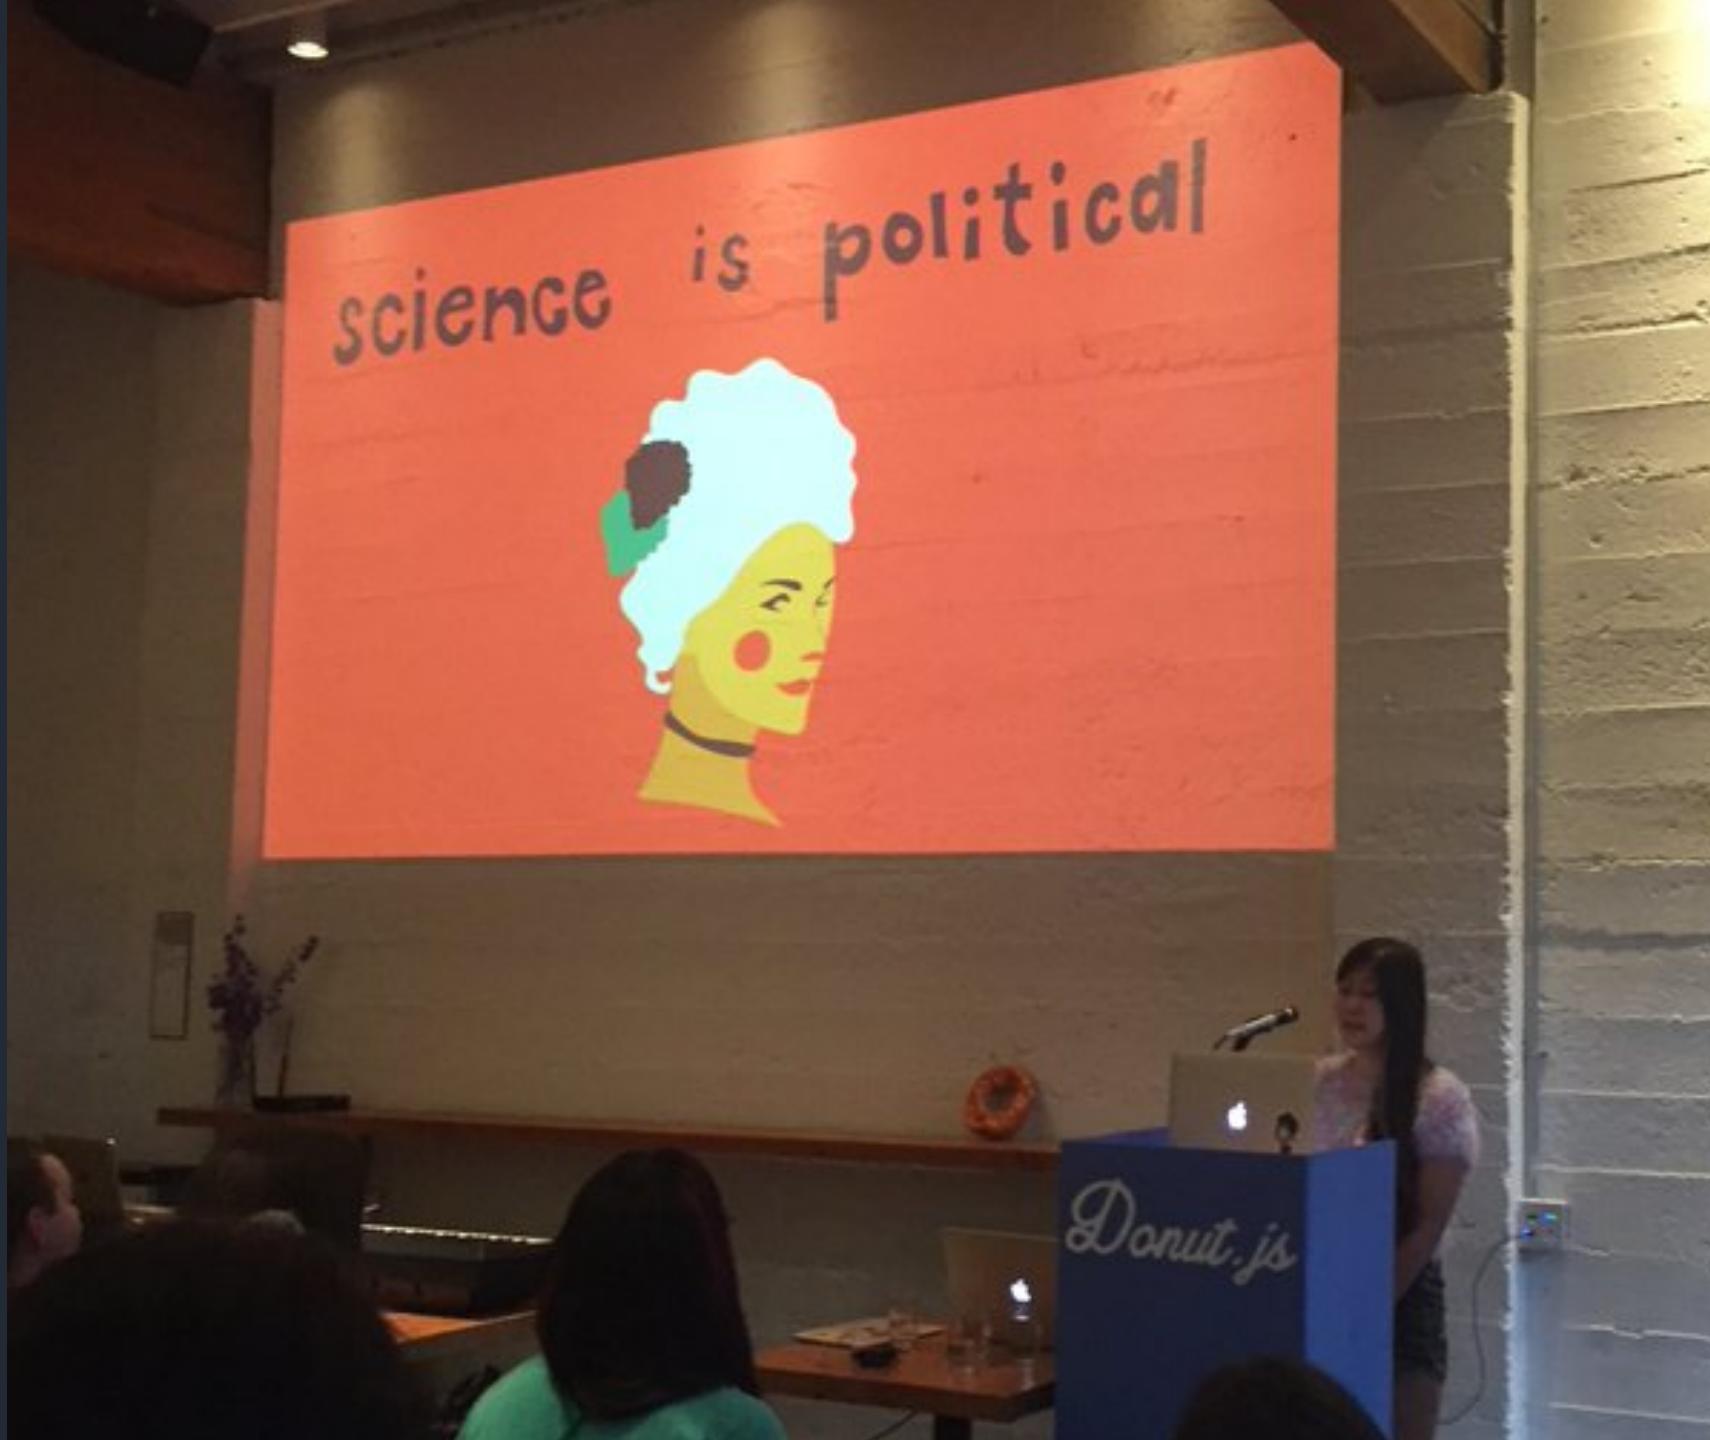

Vicky Steeves @VickySteeves · 3m
@AWhitTwit @carlystrasser So cringe-worthy.

F Rodriguez-Sanchez @frod_san · 1h
@carlystrasser Sorry to hear that. There's a preprint here [pcl.missouri.edu/sites/default/...](http://pcl.missouri.edu/sites/default/) @JeffRouder

THE PARASITE AWARDS

Celebrating rigorous secondary data analysis

ABOUT THE AWARD

Science Hack Day Portland

Home

FAQ

Projects

Contact

A weekend making fun science projects.

The event starts **Friday, October 7th at 6:30pm** at **XOXO Outpost** in Inner NE Portland ([map](#)).

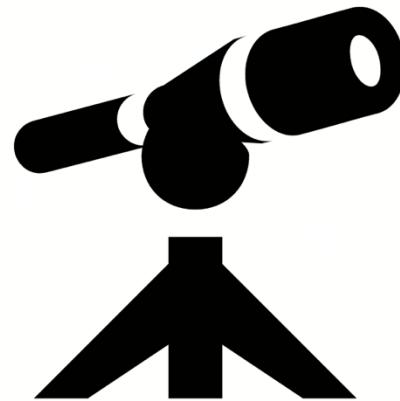

All skill levels and backgrounds are welcome.

What is a Science Hack Day? [Learn More!](#)

You don't need a team, project, or idea to attend. Just show up and we will help you find an interesting project to work on!
